

Let's build houses together with 300 volunteers from all over the world !

REBUILD SRI ANKA

◆Program Outline◆

Project	Rebuild Sri Lanka
Schedule	Aug 5 (Sun) 2012 – Aug 11 (Sat), 2012 7days
Contents of Project	<p>Habitat for Humanity, a global NGO which dedicates to the elimination of inadequate housing, launched a project called "Big Builds" in Asia Pacific. It is the overseas volunteer program that hundreds of volunteers from all over the world get together and build tens of houses at once in short period of time.</p> <p>This summer the event is called "Rebuild Sri Lanka" and takes place in Sri Lanka where Habitat Japan also has on-going projects. The construction site is in Negombo, located along the coast of southwest Sri Lanka. 24 houses will be built in one week together with 300 volunteers from all over the world.</p> <p>People in Sri Lanka are trying to rebuild their lives after the civil war and Indian Ocean Tsunami in 2004, which damaged hundreds of thousands of houses. 24 families that will live in these houses have also been suffered from this tsunami. They do not have their houses, and have to live under unsanitary condition. Although their income is very limited, they have been working hard and have got land where they will build their houses with Habitat.</p> <p>"Rebuild Sri Lanka" is a special project which builds houses to support the local families who are rebuilding their lives after civil wars and natural disasters.</p>
